(1) For the special conditions relating to 'specific processes', see Introductory Notes 7.1 and 7.3.

(2) For the special conditions relating to 'specific processes', see Introductory Note 7.2.

(3) Note 3 to Chapter 32 says that these preparations are those of a kind used for colouring any material or used as ingredients in the manufacture of colouring preparations, provided that they are not classified in another heading in Chapter 32.

(4) A 'group' is regarded as any part of the heading separated from the rest by a semicolon.

(5) In the case of the products composed of materials classified within both headings 3901 to 3906, on the one hand, and within headings 3907 to 3911, on the other hand, this restriction only applies to that group of materials which predominates by weight in the product.

(6) The following foils shall be considered as highly transparent: foils, the optical dimming of which, measured according to ASTM-D 1003-16 by Gardner Hazemeter (i.e. Hazefactor), is less than 2 %.

(7) For special conditions relating to products made of a mixture of textile materials, see Introductory Note 5.

(8) The use of this material is restricted to the manufacture of woven fabrics of a kind used in paper-making machinery.

(9) See Introductory Note 6.

(10) For knitted or crocheted articles, not elastic or rubberised, obtained by sewing or assembling pieces of knitted or crocheted fabrics (cut out or knitted directly to shape), see Introductory Note 6.

(11) SEMIII - Semiconductor Equipment and Materials Institute Incorporated.

(12) This rule shall apply until 31.12.2005.

▼B*ANNEX 16***WORKING EXCLUDED FROM GSP REGIONAL CUMULATION**

Working such as:

- fitting of buttons and/or other types of fastenings,
- making of button-holes,
- finishing off the ends of trouser legs and sleeves or the bottom hemming of skirts and dresses etc.,
- hemming of handkerchiefs, table linen etc.,
- fitting of trimmings and accessories such as pockets, labels, badges, etc.,
- ironing and other preparations of garments for sale 'ready made',
- or any combination of such working.

▼M10*ANNEX 17***CERTIFICATE OF ORIGIN FORM A**

1. Certificates of origin Form A must conform to the specimen shown in this annex. The use of English or French for the notes on the reverse of the certificate shall not be obligatory. Certificates shall be made out in English or French. If completed by hand, entries must be in ink and in capital letters.
2. Each certificate shall measure 210 × 297 mm; a tolerance of up to plus 5 mm or minus 8 mm in the length may be allowed. The paper used shall be white writing paper, sized, not containing mechanical pulp and weighing not less than 25 g/m². It shall have a printed green guilloche-pattern background making any falsification by mechanical or chemical means apparent to the eye.

If the certificates have several copies, only the top copy which is the original shall be printed with a printed green guilloche-pattern background.

3. Each certificate shall bear a serial number, printed or otherwise, by which it can be identified.
4. Certificates, a specimen of which is shown in this annex, shall be acceptable from 1st January 1996; however certificates made out in accordance with the previous specimen, dated 1992, may be presented until 31st December 1997.

▼M10

NOTES (1996)

I. Countries which accept Form A for the purposes of the generalized system of preferences (GSP):

Australia*	Republic of Belarus	European Union:		
Canada	Republic of Bulgaria	Austria	Germany	Netherlands
Japan	Czech Republic	Belgium	Greece	Portugal
New Zealand**	Republic of Hungary	Denmark	Ireland	Spain
Norway	Republic of Poland	Finland	Italy	Sweden
Switzerland	Russian Federation	France	Luxembourg	United Kingdom
United States of America***	Slovakia			

Full details of the conditions covering admission to the GSP in these countries are obtainable from the designated authorities in the exporting preference-receiving countries or from the customs authorities of the preference-giving countries listed above. An information note is also obtainable from the UNCTAD secretariat.

II. General conditions

To qualify for preference, products must:

- (a) fall within a description of products eligible for preference in the country of destination. The description entered on the form must be sufficiently detailed to enable the products to be identified by the customs officer examining them;
- (b) comply with the rules of origin of the country of destination. Each article in a consignment must qualify separately in its own right; and,
- (c) comply with the consignment conditions specified by the country of destination. In general, products must be consigned direct from the country of exportation to the country of destination but most preference-giving countries accept passage through intermediate countries subject to certain conditions. (For Australia, direct consignment is not necessary.)

III. Entries to be made in Box 8

Preference products must either be wholly obtained in accordance with the rules of the country of destination or sufficiently worked or processed to fulfil the requirements of that country's origin rules.

- (a) Products wholly obtained: for export to all countries listed in Section I, enter the letter "P" in Box 8 (for Australia and New Zealand Box 8 may be left blank).
- (b) Products sufficiently worked or processed: for export to the countries specified below, the entry in Box 8 should be as follows:
 - (1) United States of America: for single country shipments, enter the letter "Y" in Box 8, for shipments from recognized associations of countries, enter the letter "Z", followed by the sum of the cost or value of the domestic materials and the direct cost of processing, expressed as a percentage of the ex-factory price of the exported products; (example "Y" 35 % or "Z" 35 %).
 - (2) Canada: for products which meet origin criteria from working or processing in more than one eligible least developed country, enter letter "G" in Box 8; otherwise "F".
 - (3) Japan, Norway, Switzerland and the European Union: enter the letter "W" in box 8 followed by the Harmonized Commodity Description and coding System (Harmonized System) heading at the 4-digit level of the exported product (example "W" 96.18).
 - (4) Bulgaria, Czech Republic, Hungary, Poland, the Russian Federation and Slovakia: for products which include value added in the exporting preference-receiving country, enter the letter "Y" in Box 8 followed by the value of imported materials and components expressed as a percentage of the fob price of the exported products (example "Y" 45 %); for products obtained in a preference-receiving country and worked or processed in one or more other such countries, enter "Pk".
 - (5) Australia and New Zealand: completion of Box 8 is not required. It is sufficient that a declaration be properly made in Box 12.

* For Australia, the main requirement is the exporter's declaration on the normal commercial invoice. Form A, accompanied by the normal commercial invoice, is an acceptable alternative, but official certification is not required.

** Official certification is not required.

*** The United States does not require GSP Form A. A declaration setting forth all pertinent detailed information concerning the production or manufacture of the merchandise is considered sufficient only if requested by the district collector of Customs.

▼ M10

NOTES (1996)

I. Pays qui acceptent la formule A aux fins du système généralisé de préférences (SGP):

Australie*	Fédération de Russie	Union européenne:		
Canada	République de Bélarus	Allemagne	Finlande	Luxembourg
États-Unis d'Amérique***	République de Bulgarie	Autriche	France	Pays-Bas
Japon	République de Hongrie	Belgique	Grèce	Portugal
Norvège	République de Pologne	Danemark	Irlande	Royaume-Uni
Nouvelle-Zélande**	République tchèque	Espagne	Italie	Suède
Suisse	Slovaquie			

Des détails complets sur les conditions régissant l'admission au bénéfice du SGP dans ces pays peuvent être obtenus des autorités désignées par les pays exportateurs bénéficiaires ou de l'administration des douanes des pays donneurs qui figurent dans la liste ci-dessus. Une note d'information peut également être obtenue du secrétariat de la CNUCED.

II. Conditions générales

Pour être admis au bénéfice des préférences, les produits doivent:

- correspondre à la définition établie des produits pouvant bénéficier du régime de préférences dans le pays de destination. La description figurant sur la formule doit être suffisamment détaillée pour que les produits puissent être identifiés par l'agent des douanes qui les examine;
- satisfaire aux règles d'origine du pays de destination. Chacun des articles d'une même expédition doit répondre aux conditions prescrites
et
- satisfaire aux conditions d'expédition spécifiées par le pays de destination. En général, les produits doivent être expédiés directement du pays d'exportation au pays de destination; toutefois, la plupart des pays donneurs de préférences acceptent sous certaines conditions le passage par des pays intermédiaires (pour l'Australie, l'expédition directe n'est pas nécessaire).

III. Indications à porter dans la case 8

Pour bénéficier des préférences, les produits doivent avoir été, soit entièrement obtenus, soit suffisamment ouverts ou transformés conformément aux règles d'origine des pays de destination.

- Produits entièrement obtenus: pour l'exportation vers tous les pays figurant dans la liste de la section I, il y a lieu d'inscrire la lettre "P" dans la case 8 (pour l'Australie et la Nouvelle-Zélande, la case 8 peut être laissée en blanc).
- Produits suffisamment ouverts ou transformés: pour l'exportation vers les pays figurant ci-après, les indications à porter dans la case 8 doivent être les suivantes:
 - États-Unis d'Amérique: dans le cas d'expédition provenant d'un seul pays, inscrire la lettre "Y" ou, dans le cas d'expéditions provenant d'un groupe de pays reconnu comme un seul, la lettre "Z", suivie de la somme du coût ou de la valeur des matières et du coût direct de la transformation, exprimée en pourcentage du prix départ usine des marchandises exportées (exemple: "Y" 35 % ou "Z" 35 %);
 - Canada: il y a lieu d'inscrire dans la case 8 la lettre "G" pour les produits qui satisfont aux critères d'origine après ouvroison ou transformation dans plusieurs des pays les moins avancés; sinon, inscrire la lettre "F";
 - Japon, Norvège, Suisse et Union européenne: inscrire dans la case 8 la lettre "W" suivie de la position tarifaire à quatre chiffres occupée par le produit exporté dans le Système harmonisé de désignation et de codification des marchandises (Système harmonisé) (exemple "W" 96.18);
 - Bulgarie, Hongrie, Pologne, République tchèque, Fédération de Russie et Slovaquie: pour les produits avec valeur ajoutée dans le pays exportateur bénéficiaire de préférences, il y a lieu d'inscrire la lettre "Y" dans la case 8, en la faisant suivre de la valeur des matières et des composants importés, exprimée en pourcentage du prix fob des marchandises exportées (exemple: "Y" 45 %); pour les produits obtenus dans un pays bénéficiaire de préférences et ouverts ou transformés dans un ou plusieurs autres pays bénéficiaires, il y a lieu d'inscrire les lettres "Pk" dans la case 8;
 - Australie et Nouvelle-Zélande: il n'est pas nécessaire de remplir la case 8. Il suffit de faire une déclaration appropriée dans la case 12.

* Pour l'Australie, l'exigence de base est une attestation de l'exportateur sur la facture habituelle. La formule A, accompagnée de la facture habituelle, peut être acceptée en remplacement, mais une certification officielle n'est pas exigée.

** Un visa officiel n'est pas exigé.

*** Les États-Unis n'exigent pas de certificat SGP Formule A. Une déclaration reprenant toute information appropriée et détaillée concernant la production ou la fabrication de la marchandise est considérée comme suffisante, et doit être présentée uniquement à la demande du receveur des douanes du district (District Collector of Customs).

▼ **M10***ANNEX 18***Invoice declaration**

The invoice declaration, the text of which is given below, must be made out in accordance with the footnotes. However, the footnotes do not have to be reproduced.

French version

L'exportateur des produits couverts par le présent document (autorisation (SIC! autorisation) douanière n° . . . ⁽¹⁾) déclare que, sauf indication claire du contraire, ces produits ont l'origine préférentielle . . . ⁽²⁾ au sens des règles d'origine du Système des préférences tarifaires généralisées de la Communauté européenne.

English version

The exporter of the products covered by this document (customs authorization No . . . ⁽¹⁾) declares that, except where otherwise clearly indicated, these products are of . . . preferential origin ⁽²⁾ according to rules of origin of the Generalized System of Preferences of the European Community.

.....
(place and date) ⁽³⁾

.....
(Signature of the exporter; in addition the name of the person signing the declaration has to be indicated in clear script) ⁽⁴⁾

- ⁽¹⁾ When the invoice declaration is made out by an approved exporter within the meaning of Article 90a, the authorization number of the approved exporter must be entered in this space. When the invoice declaration is not made out by an approved exporter, the words in brackets shall be omitted or the space left blank.
- ⁽²⁾ Origin of products to be indicated. When the invoice declaration relates, in whole or in part, to products originating in Ceuta and Melilla within the meaning of Article 96, the exporter must clearly indicate them in the document on which the declaration is made out by means of the symbol "CM".
- ⁽³⁾ These indications may be omitted if the information is contained on the document itself.
- ⁽⁴⁾ See Article 90 (5). In cases where the exporter is not required to sign, the exemption of signature also implies the exemption of the name of the signatory.

*ANNEX 21***MOVEMENT CERTIFICATE EUR. 1 AND RELEVANT APPLICATIONS**

1. Movement certificate EUR. 1 shall be made out on the form of which a specimen appears in this Annex. This form shall be printed in one of the official languages of the Community. Certificates shall be made out in one of these languages and in accordance with the provisions of the domestic law of the exporting State or territory. If they are handwritten, they shall be completed in ink and in capital letters.
2. Each certificate shall measure 210 × 297 mm; a tolerance of up to minus 5 mm or plus 8 mm in the length may be allowed. The paper used must be white, sized for writing not containing mechanical pulp and weighing not less than 25 g/m². It shall have a printed green guilloche pattern background making any falsification by mechanical or chemical means apparent to the eye.
3. The competent authorities of the exporting State or territory may reserve the right to print the certificates themselves or may have them printed by approved printers. In the latter case each certificate must include a reference to such approval. Each certificate must bear the name and address of the printer or a mark by which the printer can be identified. It shall also bear a serial number, either printed or not, by which it can be identified.
